PARTS

20% OFF FORKS!

20% off all stock forks now through June 30th! Request a quote today!

Special application & special sized forks also on sale now! (Non-stock fork discounts based on specific size/application needs.)

Also ask about our no obligation, **FREE** fork inspections. Routinely checking your lift truck's forks for damage and wear ensures safe lift truck operation. Even a 10% reduction in blade thickness can result in a 20% loss of capacity. Prevent potential accidents! Our specialists can inspect your forks free of charge and provide recommendations on when replacements are needed.

[Schedule a Fork Inspection Today!](#)

SERVICE

FREE Steam Cleaning & Cartage!

The economy has caused many businesses to delay important repair work needed on their material handling equipment. We want to help you get your fleet back up and running and ready for the recovery! Repair your equipment today and get **MORE FOR YOUR MONEY!**
