APPLICANT POLICY

There are many administrative and contractual responsibilities placed on The Wolter Group as a government contractor. To remain in compliance with our Affirmative Action Plan, every resume and application received at The Wolter Group must be documented and all applicants surveyed for their race, sex, disability status, and protected veteran status. For these reasons, the following Applicant Policy has been adopted by the Wolter Group LLC:

- ◆ Applications and resumes will be accepted ONLY when there is an open and/or listed position, with the exception of forklift, aerial, engine, generator, or hydraulics technicians. Applications and resumes for forklift, aerial, engine, generator, or hydraulics technicians will always be accepted, unless posted otherwise.
- ◆ All applicants must specify the job(s) for which they are applying. Applicants may not indicate "any job" on the application form. A listing of open positions appears on our website at www.wisconsinlift.com/jobs.
- ◆ Incomplete applications will not be considered and will be kept in an inactive file. Although an applicant may submit a resume along with their application, the application form must be completed in its entirety for consideration.
- ◆ Applications will be actively considered for up to 90 days. After that period of time, an applicant will be required to re-apply if a position becomes available.
- ◆ Unsolicited resumes will not be retained or considered. All unsolicited resumes will be discarded.

PAY TRANSPARENCY NONDISCRIMINATION PROVISION

The contractor will not discharge or in any other manner discriminate against employees or applicants because they have inquired about, discussed, or disclosed their own pay or the pay of another employee or applicant. However, employees who have access to the compensation information of other employees or applicants as a part of their essential job functions cannot disclose the pay of other employees or applicants to individuals who do not otherwise have access to compensation information, unless the disclosure is (a) in response to a formal complaint or charge, (b) in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or (c) consistent with the contractor's legal duty to furnish information. 41 CFR 60-1.35(c)
